FITZ-GREENE HALLECK: A MEMORIAL (CLASSIC REPRINT)

Forgotten Books, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Fitz-Greene Halleck: A Memorial Mr. Duyckisck, the Chairman of the Committee to which I have the honor to belong, has prepared some resolutions, expressive of the sincere grief which this Society feels at the recent decease of Fitz-Greene Halleck. It devolves upon me, in accordance with a time-honored custom, to introduce them with a brief review of the career of our late illustrious associate. I am aware, however, of an increasing hoarseness, which will prevent me addressing you in person; and as our excellent librarian, Mr. Moore, has, at my solicitation, promised to take the load off my shoulders, I am only too happy to hand these papers to him. This is a New York Historical Society. It is a living register of deeds and men. From its accumulations of the records of the past - of the records of our common Country in general - we turn with more affectionate interest to those themes which are peculiarly local, to those acts which have added a luster to this city, to those actors who have lived, and breathed, and moved among us; who have formed a part of our crowded streets, and our busy thoroughfares.
