Oxford University Press. Paperback. Book Condition: new. BRAND NEW, The Complete "Odes" and "Epodes", Horace, David West, Horace (65-8 BC) is one of the most important and brilliant poets of the Augustan Age of Latin literature whose influence on European literature is unparalleled. Horace's Odes and Epodes constitute a body of Latin poetry equalled only by Virgil's, astonishing us with leaps of sense and rich modulation, masterly metaphor, and exquisite subtlety. The Epodes include proto-Augustan poems, intent on demonstrating the tolerance, humour and the humanity of the new leaders of Rome, robust love poems, and poems of violent denunciation; the Odes echo Greek lyric poetry, reflecting on war, politics and the gods, and celebrating the pleasures of wine, friendship, love, poetry and music. Steeped in allusion to contemporary affairs, Horace's verse is best read in terms of his changing relationship to the public sphere, and David West's superb new translation is supplemented by a lucid introduction illuminating these complexities, extensive notes, a chronological survey and a glossary of names. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.
