*Unquestionably, this is the best operate by any author. It is among the most amazing pdf i actually have read. Its been designed in an remarkably basic way which is just right after i finished reading this pdf by which basically altered me, change the way i believe.*  
*(Harold Spencer)*

## THE ALTERNATE NATION OF ABANINDRANATH TAGORE

Sage Publications, New Delhi, India, 2010. Hardcover. Book Condition: New. Dust Jacket Condition: New. First Edition. The Alternate Nation of Abanindranath Tagore provides a revisionary critique of the art of Abanindranath Tagore, the founder of a national school of Indian painting, popularly known as the Bengal School of Art. It categorically argues that the art of Abanindranath, which developed as part of what has been called the Bengal Renaissance in the 19th/20th centuries, was not merely a normalization of nationalist or orientalist principles, but was a hermeneutic negotiation between modernity and community, geared toward the fashioning of an alternate nation, resistant to the stereotyping identity formation of the nation-state. It also establishes that his art embedded in communitarian practices like kirtan, a-lpona-, pet-naming, syncretism and storytelling through oral allegory sought a dialogic social identity within the inter-subjective contexts of locality, regionality, nationality and trans-nationality. This book is well-illustrated with many of Abanindranath's creations. It will be a rich reference work for students, researchers and academics from various subject areas such as arts and humanities, sociology and cultural studies, and would be precious for artists, art collectors, connoisseurs, museums and art galleries. Printed Pages: 228.
