Case Studies in Physiology and Nutrition

By Carolyn D. Berdanier, Lynne Berdanier

Taylor Francis Inc, United States, 2009. Paperback. Book Condition: New. New.. 249 x 178 mm. Language: English Brand New Book ***** Print on Demand *****.Today's knowledge of human health demands a multidisciplinary understanding of medically related sciences, and Case Studies in the Physiology of Nutrition answers the call. Dedicated to the integration of nutrition science with physiology, this text cohesively incorporates descriptions of human problems in order to stimulate students critical thinking about how the body integrates various physiological factors to maintain homeostasis. Contains Key Points, Vocabulary Exercises, and Critical Thinking Problems This textbook uses short story-type case studies about fictional individuals who have health problems in order to address a range of issues in an approachable manner. The studies vary in difficulty, with some being straightforward with very simple answers, while others require in-depth thinking and literature research to solve. Each study presents patient background, symptoms, clinical finding, and questions to ponder. Upon qualifying course adoption, this book also includes a valuable instructor's manual, which provides solutions to exercises, problem analysis, and resolution to each case study. This ready-to-implement resource addresses: * Homeostasis * Obesity and malnutrition * Anemia and diabetes * Nutrient-gene expression * Immune system...
