However, in recent years we have witnessed this wisdom being rejected and coloring for grown-ups has become a widespread and growing activity.But why has coloring for grown-ups become so popular? There are many explanations for the explosion in adult coloring, but here are just a few.Coloring Reduces Stress And AnxietyPsychiatrists have known for a long time that coloring relaxes the fear center of the brain and permits your mind to get some rest. Indeed the founder of analytical psychology, Carl Jung, gave his patients mandalas to color over one hundred years ago. In the hectic world we inhabit today the stress reducing properties of coloring are perhaps more valuable than they have ever been.Coloring Trains Your...

### Reviews

*This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
