Policeman Bluejay or Babes inn Birdland is a children s novel written by L. Frank Baum. First published in 1907, it has been considered one of the best of Baum s works. At the story s start, Twinkle and Chubbins are lost in a great forest. They encounter a tuxix - a creature that looks like a spiny turtle, but is in reality a magician, a sorcerer, a wizard, and a witch all rolled into one.and you can imagine what a dreadful thing that would be. The evil tuxix casts a spell on the children, transforming them into little bird-like beings, with their own heads but the bodies of skylarks. (They resemble the human-headed, bird-bodied sirins, alkonosts, and gamayuns of Russian folklore.) Policeman Bluejay, the force of order in the avian world of the forest, leads the two child-larks on a flight through the sky; he esconces them in an abandoned thrush s nest in a maple tree, and with the help of a friendly eagle he retrieves their picnic basket (so that they don t have to eat bugs, worms, and grubs).
