Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

University Press of New England. Paperback. Book Condition: new. BRAND NEW, Birds and Bison: Poems by Claire Malroux, Claire Malroux, Marilyn Hacker, Claire Malroux's lyrical poetry sings in discord with French Symbolist and Surrealist traditions. This is a book of extraordinary beauty: "love songs," hard-earned belief and disbelief. She does all this through observation of the natural world, language, and the human spirit. These are urban and pastoral poems. Here's chamber music and music for a full orchestra. Malroux's poetry requires a great translator and she has one in Marilyn Hacker, a major, prize-winning American poet.
