THE FAMILY UNCONSCIOUS: AN INVISIBLE BOND

Cosimo, United States, 2006. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book. From the foreword by Stanley Krippner author of *Realms of Healing* : . . . these pages may provide a route of mending and healing for many families . . . conveys the richness of shared imagery and emotionality that operates in the life of each family member. The family group, the individual, clinical psychologists, all will find this book enormously helpful. Dr. Taub-Bynum, himself a clinical psychologist, appears to be the long needed catalyst to bring the family, as a unit, under the umbrella of the collective unconscious. In addition, he relates family behavior to documented case histories of telepathy, clairvoyance and second-sight. Writes Carl A. Whitaker, Professor of Psychiatry at the University of Wisconsin Medical School, Madison: This capacity to combine concepts of family therapy, the wisdom of the East, and the wisdom of higher mathematics and physics puts (the author) in a unique position to formulate things which I respect, admire, and follow . I am firmly convinced that members of the same family read each other in great detail and that most of that information never reaches consciousness. Comments Erik Peper, Director Biofeedback and Family Therapy Institute, Berkeley, California: . . . offers both layman and therapist new underlying concepts in individual and family dynamics . EDWARD BRUCE BYNUM, Ph.D., is a clinical psychologist and Director of the Behavioral Medicine Program at the University of Massachusetts Health Services. He is also the author of *Families and the Interpretation of Dreams*. He has published widely in both popular and professional journals. Some of his work has been translated into German, Japanese, and Russian. He is a student and practitioner of Kundalini Yoga.
