Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Ally Reichel)

WASP SHADOWS

Folded Word. Paperback. Book Condition: New. JS Graustein (illustrator). Paperback. 36 pages. Dimensions: 6.8in. x 4.8in. x 0.3in. In this collection of 20 haiku, Ben Moeller-Gaa takes us on a cyclical journey through what initially appears to be a typical Midwestern year. He notes the changing of the seasons and the effect those seasons have on human activity: snow to be shoveled, seeds to be planted, blooms to be weeded, fallen leaves to be raked. Ben's haiku capture these everyday things, but with twists that reveal how the seemingly-everyday can send life spiraling forward through the circle of time. *Wasp Shadows* is a subtle thrill. . . Ben's word choice is as careful as the brushstrokes of the accompanying calligraphy. I happily recommend this chapbook to any poet or to any observer of the natural world. -Allison Cundiff, poet and author of *IN SHORT, A MEMORY OF THE OTHER ON A GOOD DAY* (Golden Antelope Press 2014) This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
