The book comprises a detailed history in which the whole of the world's development is laid out as a penelopian tapestry. Ahrdeâs unique design allows Castle Keepers and Players alike to customize and adapt this unfolding tapestry of adventures to their own design and style of play. A world like no other, Ahrde has a true coherent historical framework, with a depth unreached by any other adventure setting. From the cosmological origins of its creation, to the inner world, to the Winter Dark Wars, Ahrde offers a complete picture for any adventurerâs background. Ahrdeâs unique features are only strengthened by its familiar trappings and classic feel of dragons, orcs, goblins, elves, dwarves and more. These classic aspects of most fantasy worlds are highlighted by wholly original creatures such as the Gottland Trolls whose life times of evil deeds root them to the ground like old trees This primer serves as an introduction to the world of Ahrde. Originally published in 2000 as the After Winter Dark Campaign Setting, this primer revises the world of Ahrde for the Castles & Crusades system. It...
