Challenging Maths and Numerical Reasoning Book 3 Preparing for the 11+ Pupils approaching the 11+ Examination face many challenges, including lack of time, uncertainty over what is required, and an ever-changing and secretive testing environment. Plain mathematics questions are progressively being replaced with more demanding numerical reasoning questions. Selective schools are increasingly interested in not only rote recall of methods but also the ability to understand questions expressed in prose and skilfully apply (sometimes several) mathematical principles to arrive at an answer. The Eureka! 11+ Challenging Maths and Numerical Reasoning series of books to provide focused preparation for pupils and their busy parents. Questions are expressed in words, with the pupils learning the habit of extracting the relevant numbers and key facts. Most questions are multi-part, reflecting the trend in examinations to challenge pupils skills at progressively higher levels as the question unfolds. These questions are the upper echelon of what is tested at 11+. Although they need only Key Stage 2 concepts, they are challenging because they require good command of multiple skills simultaneously. Pupils, and perhaps even parents, will find...
