Brand New Book ***** Print on Demand *****.NEVER has the necessity of an intellectual defence of Catholic principles been more imperative and general than in our days, when every department of human knowledge is made to yield weapons for a concerted and systematic attack on the very foundations of supernatural belief. It will give him a peaceful sense of intellectual assurance when he finds that, in adhering to revelation, he does not abdicate reason, but elicits the most sublime act of enlightened reason. The little effort devoted to such studies will be amply rewarded by a deepening of religious convictions and a greater cheerfulness of faith. Particularly is it to be deplored that the clamorous methods of infidels so readily mislead the young, who...
