

## Reaching for the Beauty and Facts of Life: A Book of Poetry

Filesize: 4.06 MB

### ***Reviews***

*This ebook will never be effortless to get started on studying but extremely fun to read through. It is actually written in easy phrases and never difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.*

iUniverse, United States, 2010. Paperback. Book Condition: New. 226 x 147 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Knowing the beauty of life, a gift, a home, holds the weapon of contentment, so never sway . In *Reaching for the Beauty and Facts of Life*, Betty Anderson shares her first compilation of free-verse poetry that encourages you to take a second look at the world in which we all live and embrace differences, fears, and loves of all humankind. With the hope that her poems will influence thinking and create new ideas within each of us, Anderson-a teacher who has always incorporated poetry into her classroom-not only challenges cultural biases and religious perspectives, but also provides charming views of nature and the antics of children as she traces a lyrical journey through life. While incorporating subtle life lessons into her poetry about friendship, family, and love, Anderson also interweaves historical elements, as she shares the contributions of African Americans and awakens others to the fears we all face in today s world. This moving collection of poetry will persuade you to reach into your heart and soul to create memorable changes and accept the beauty of life.
