Comprehensive guide! Its this type of very good read through. It is actually writter in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

AuthorHouseUK. Paperback. Book Condition: New. Paperback. 284 pages. Dimensions: 9.0in. x 6.1in. x 0.7in. Peeping Through the Reeds is a fictionalised story about growing up Coloured under apartheid in South Africa. Based on real events, the story is told through the frank and insider voice of Musuva who narrates the story of a girl, Tumelo. The story draws on many conversations with elders and provides spine chilling insight into what enslavement, colonialism, class and apartheid and the struggle for freedom did to people and their mental health, to families and to relationships in South Africa, and celebrates a peoples deep resilience in their fight for human rights and dignity. Though South Africa has had a Truth and Reconciliation Commission after the end of apartheid, much of what is told in this book is little known, little acknowledged and little spoken about. In spite of the bottomless pain and loss endured through many generations, the story reflects the brave and enduring spirit of the people of the Cape. Peeping Through the Reeds hopes to make its contribution to a further understanding of unknown dimensions of South Africas miraculous survival of a crime against humanity, and the necessity of the ongoing healing project for all South Africans today. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
