THE NEWSLETTER OF THE ALUMNI ASSOCIATION OF THE PENNSYLVANIA, VOL. 10: MUSEUM AND SCHOOL OF INDUSTRIAL ART (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Newsletter of the Alumni Association of the Pennsylvania, Vol. 10: Museum and School of Industrial Art Under the head of New Business, a resolution was offered making several changes in the Constitution and By-Laws, looking to their being printed in the News Letter. This was discussed and made clear to those present. A postal card vote was decided upon and subsequently carried out, the result being practically unanimous in favor of the changes here proposed. After the adjournment of the Business Meeting a highly enjoyable social time followed. The attention of those present was called to a large book recently acquired for the Alumni Library on the subject of Monumental Brasses. It contains a wealth of illustrations from rubbings of the ancient brasses and has been of immediate use to the school in numerous departments of design. The Hospitality Committee, under the direction of Miss Dow, had arranged delightful refreshments in the shape of piping hot creamed oysters on toast and coffee. The company did full justice to this repast. The attendance was the largest ever present at an Annual Meeting, numbering seventy. The Summer Class in Aesthetics and Art Instruction This summer the school shall create a standard for summer activity both here and abroad. As noted elsewhere in this number of the News Letter, the traveling foreign art scholarships are awarded for definite work and research, under competent direction, thereby removing the possibility of degenerating into a mere pleasure trip as do many Art scholarships. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work....
