Bloomsbury Publishing PLC. Paperback. Book Condition: new. BRAND NEW, Demented (New edition), Jacky Fleming, Have the inevitable signs of ageing taken you completely by surprise? Do Friends Reunited emails from primary school acquaintances precipitate an instant mid-life crisis? Has your computer introduced levels of frustration into your life that you never dreamed were possible? Does the sound of orchestrated easy-listening music while you're on hold for half an hour drive you to despair? Then this demented cartoon narrative may help slightly, although how I can't imagine. This is an absolute must for the middle-aged but immature woman and her bewildered partner - or anyone obsessed with looking on the Internet at properties for sale in sunny countries.
