Langham Creative Projects, United Kingdom, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The expression the face of God is a familiar one to Bible scholars and its meaning has long been a point of disagreement, especially in its use with the verb to see. While some scholars dismissed the expression as merely a metaphor with little significance, others have compared it to the face of gods and goddesses of the ANE religious context, where worshippers sought an audience with their divine king. Scrutinising previous scholarship and based on careful exegesis of several crucial passages in the Pentateuch, this publication presents the motif seeing the face of God in an entirely new context of divine self-revelation.
