## 89 WALLS

Wise Ink, United States, 2015. Paperback. Book Condition: New. 213 x 137 mm. Language: English . Brand New Book. College is not in the cards for Seth. He spends his minimum wage on groceries and fakes happiness to distract his mom from the MS they both know will kill her. It's agony to carry around a frayed love note for a girl who's both out of his league and beneath his dignity. Quinn's finishing high school on top. But that cynical, liberal guy in her social studies class makes her doubt her old assumptions. Challenging the rules now, though, would a) squander her last summer at home, b) antagonize her conservative dad, and c) make her a hypocrite. Seth and Quinn's passionate new romance takes them both by surprise. They keep it a secret; it's too early to make plans and too late not to care. But it's 1989. As politics suddenly get personal, they find themselves fighting bare fisted for their beliefs and each other--in the clear light of day.
