## WILD ASIAN PRIMATES POSTCARD

DOWNLOAD

Pelican Publishing Co, United States, 2001. Paperback. Book Condition: New. 153 x 102 mm. Language: English . Brand New Book. This postcard book hones in on one of the most vividly animated species around, and is photographed by some of the world s top wildlife photographers, as featured in the Pelican book, Wild Asia: Spirit of A Continent.The rainforests of tropical Asia extend from the Western Ghats of India to where the edges of Asia blur into Australia along the myriad of islands of the Indonesian archipelago. It is here that the largest diversity of primates in the world can be found. While the orangutan is one of the icons of Asian wildlife, other primates inhabit this area of the world in great numbers, including macaques, siamangs, and langurs. These portraits present an intriguing and beguiling look into a seldom-seen world beneath the rainforest s canopy.
