BRAND NEW, The Secrets of Big Business Innovation: An Insider's Guide to Delivering Innovation, Change and Growth, Daniel Taylor, Innovation is all around us every day; every product we use, every piece of packaging we open, every service we experience; all of these started out as ideas that have been developed and deployed. The Secrets of Big Business Innovation sets out the secrets of establishing and sustaining a successful innovation programme and driving great innovation projects through it. The "secrets" are supported by over 100 short case studies giving real-life examples from some of the world's greatest companies....
