## Why Obsolete Macro Governance Is Killing the World Economy: By Miguel Lindemann, a Very Experienced International Businessman, Not an Economist

By Miguel Lindemann, Michael Lindemann

Createspace, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.I wrote this book because I have a very strong feeling that a more pragmatic view of macro situations is necessary, this constituting an ambitious project. This book is not about systematic pessimism, it recognizes that many economic factors need to be drastically reviewed first and revised after due in-depth analysis. It is not theoretical, it offers solutions, which are not ASAP but gradual and I believe realistic. Proposed solutions are based on an active life in international working in situ in 3 continents and 7 different countries. I am not for opposing globalization or internet / IT development because they are not stoppable and part of the XXI Century s evolution; I am for finding solutions to take advantage of these realities. This means that governments cannot continuously throw the can forward and need to take on responsibilities to not only adapt to these huge changes but try to lead, this is and will be increasingly difficult, but if they do not change their political approach they will be the losers and accountable to the people they...
