Your essay is characterized by a very clear structure and covers the important facts in relation to the discussed topic, which are illustrated by appropriate examples. You consulted a range of secondary literature and your essay conforms to the academic conventions of referencing and style. In addition to discussing the concept of face, you also present criticisms and further developments of the original theory and reach adequate conclusions. , abstract: The notion of face as the public self-image plays a major role in every culture. It shapes the character of a speaker as well as how he or she is perceived by others. Therefore, the cross-cultural analysis of face is a crucial field of study in every social science. In this essay, the importance of face in Politeness Theory will be discussed. It...
