paperback. Book Condition: New. Ship out in 2 business day, And Fast shipping, Free Tracking number will be provided after the shipment. The paperback. Pub Date: 2013 Pages: 171 in Publisher: Chemical Industry Press. University textbooks: Functional Materials Preparation and performance experiments Tutorial is divided into three sections. the basic experimental part. comprehensive Experimental and innovative experiment part . Book is a total of 49 experiments. concerning the synthesis and characterization of functional ceramic powder materials. a variety of advanced dielectric. optical. magnetic and electrical functional ceramics and thin-film materials electrical. optical. magnetic. thermal and electrochemical properties test analysis. material forming and sintering. Each experiment both to clarify the purpose of the experiment. the basic principles and experimental content. and more details of the experimental equipment. experimental procedures and methods. experimental considerations. while the lab report. with each experiment behind References. intended to provide guidance for the Preparation and Characterization of Functional Materials experimental teaching. Learning from the textbook: Functional Materials Preparation and Performance Test Tutorial experiments as universities Materials Science and Engineering. inorganic non-metallic materials engineering. materials physics. materials chemistry. Applied Physics undergraduate and graduate teaching books. also available for reference to the scientific and technical personnel and professional engineering and technical personnel engaged in functional materials. Contents: Chapter basic experiment experimental sintering resistance furnace and the understanding and use of the thermocouple Experiment 2 ingredients and mixed experimental the experimental 5 solid phase synthesis of functional ceramic materials forming Experiment 4 functional ceramics sintered ceramic powder Experiment 6 Total precipitation synthesis of ceramic powders Experiment 7 sol gel synthesis of powder materials experiments 8 hydrothermal method the synthetic powder material experimental powder materials of the specific surface area of ??the test experiment 10 laser particle size distribution of the powder material testing experiments 11 electronic ceramic components The surface...
