Seventh Street Books, United States, 2015. Paperback. Book Condition: New. 214 x 149 mm. Language: English . Brand New Book. Blind psychiatrist Mark Angelotti is faced with his most troubling case yet when he is asked to evaluate Rachel Lazarus, the estranged wife of a slain University of Chicago professor. Months earlier, the professor s body was found stuffed into one of the exhibits at Scav, the school s world-famous annual scavenger hunt, and in a feast for the press missing a vital piece of its anatomy. Though she s confessed to her husband s murder, Rachel is mounting a battered woman s defense. Forced into helping the prosecution, Mark becomes unsure of his objectivity when his investigation uncovers uncomfortable parallels between Rachel s history and his own. That concern proves well-founded when his damaging admission at trial all but convicts Rachel. Then a tip connects the case to another suspected murder and evidence that Rachel may not be guilty after all.As he plows ahead during a brutal Chicago winter, Mark soon learns he has far more to worry about than treacherous snow and ice: someone will do anything to guarantee that Rachel takes the fall.
