PEOPLE SUCK: JESUS FILLS THE VACUUM

Outskirts Press, United States, 2014. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****. Did you ever wonder where people really stand with Christ when they are still falling desperately short? Jesus doesn t believe in people. Of course He believes they exist but he doesn t place His trust in them.(see Gen.3:24) Jesus did not come to seek people He could count on to never let Him down. He sought to save people who needed to be rescued. People who are willing to admit that they desperately need Him are people who will passionately love Him. (John 2:24) But Jesus did not commit Himself to them, because He knew all men, and had no need that anyone should testify of man, for He knew what was in man. Jesus knows the truth; People Suck and only He can fill the Vacuum. We are called to believe in Jesus and be filled with His Holy Spirit. This book is for those who question the authenticity of other people s faith confessions based on their continuing sinful behavior. It also endeavors to answer how eternally secure can anyone really be in light of their own less than perfect condition. PEOPLE SUCK; Jesus fills the Vacuum makes bold assertions based not only on specific scripture but also on the continuity of the Scriptures as a whole. It makes complex issues easy to understand with vivid word imagery. The text puts to test specific verses that are often used to question the existence of a firm foundation for salvation in Christ, when works of righteousness are not obvious. PEOPLE SUCK; Jesus fills the Vacuum speaks to the topic of eternal security asserting that the more a child of God consumes (sucks in) the validity...
