Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\*\* Print on Demand \*\*\*\*\*\*. Excerpt from What Japan Wants It is the purpose of this small volume to set forth plainly and without bias what Japan wants both at home and abroad. The author would request the reader to bear in mind that the material contained in the first six chapters portrays existing conditions and does not of necessity reflect his personal ideals and policies. However, the solutions offered both in these and in the concluding chapter, being based upon knowledge gained through years of extensive research work, set forth his personal opinions as to what Japan and other nations should do. The mission of this treatise is therefore twofold: First, to acquaint Occidental readers with the state of public opinion in Japan regarding these various subjects. Second, to formulate plans for the solution of the numerous problems involved. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
